Disney chooses accessory maker HEX to reveal official Star Wars cases for the iPhone, ahead of the 15 December premiere of the latest film in the series, The Last Jedi.

The cases fit the most recent iPhone models, namely the iPhone 7 and iPhone 7 Plus, iPhone 8 and iPhone 8 Plus, and iPhone X. They are made from genuine leather, and come in a number of styles, such as snap-on cases, folio wallets and zipper wallets with slots for cards and cash.

All are embossed with Star Wars art and characters, including Darth Vader, R2-D2 and stormtroopers.

The HEX Star Wars cases are available now.
