THE POWER OF WIRELESS MAGNETICS

Dear Channel Partner,

IFA BE Berlin. We visit us at September 5 - 10th and based on the introduction of mobile devices, we are proud to present the new FUEL iON-- Wireless Charging Re-Invented

□

FUEL iON is bringing the power of magnets to a completely new way of charging mobile devices with

FUEL iON. At the heart of 's slim, stylish and fully protective case is a robust magnetic axis for viewing your phone in vertical or horizontal orientation. On
